

3rd edition education innovation awards Principality of Andorra call for applications 2023

The **General Council** invites applications for the Principality of Andorra Education Innovation Awards with the aim of enriching the existing cultural and pedagogic wealth and fostering knowledge of Andorra as an international reference point in education.

formats

> The Maria Geli Award:

For teaching professionals or teams of professionals working with students up to the age of 18, who have created and implemented innovative learning experiences in educational establishments, on a national or international level.

> The Conec.Andorra Award:

For students aged 16-25, who are studying in Andorra or abroad, are resident in Andorra and have developed or started a project that fosters knowledge and a love of Andorra.

These are biennial awards that are organised with the collaboration of the association Gam21, a space for educational reflexion.

Awards

The call for applications for the Maria Geli Awards falls into two categories:

- > **International category**, open to all national and international participants, with a prize of €12,000.
- > **National category**, only open to residents of Andorra who have implemented the learning experience in an educational establishment in the Principality of Andorra, with a prize of €3,000. *

** If the Award for the International category is presented to a resident of Andorra, the Jury will not present the Award for the National category.*

Call for Applications for the Conec.Andorra:

- > The theme for 2023 focuses on environmental sustainability. This theme can include areas as diverse as society, citizen participation, politics, the economy, health, education, etc.
- > The prize for this Award is €1,500.
